

REGISTRATION

Radio Conference
1951

1. 26 Colleges, not counting Smith
2. 73 Representatives from the 26 colleges.
3. Registration took place at Davis Student Center on Friday, March 16, from 5 P.M. - 11 P.M. and at Alumnae House on Saturday, March 17, from 9 A.M. - 6 P.M.
4. Working on Registration was Jean Mathews, Leila Clark, Nancy Clark, Elizabeth Asbury, and Anita Steinberg, head.
5. Registration committee worked hand in hand Carol Lowett, head of Banquet and Rooms. Carol registered all Friday and Saturday morning, and she was of invaluable help.
6. Registration was in charge of collecting money from those delegates who had not sent their fee in before, collecting room money for those that had left room arrangements up to us, and distributing rooms to the delegates.
7. 300 identification tags were made by the registration committee ahead of the conference. These were presented to each delegate along with a booklet telling him of the events of the weekend, when he registered.

And that, dear reader, is the long, long saga of the R.C.

Respectfully submitted,

Anita Steinberg, Pres.
